Notes

As a 6'4" Norwegian Actor in Melbourne, Frank certainly stands out from the rest. His stillness and love for language has seen him frequently cast as a person of authority both on stage and screen. He has called Australia home for the last 16 years and has enjoyed frequent success as a comedic stage actor in several shows for the Melbourne International comedy festival. He studied his art at The National Theatre in St Kilda, Victorian College of the Arts and most recently with Howard Fine Studios in Melbourne. When he isn't a naked business man on Neighbours or a blond Nazi in Paris, he rambles on about the love of his life... his motorcycle. Frank is a member of MEAA and puts great pride in his craft and professionalism.
